

# Handicamp Norway 2010

## Liite 2

**Dear Governors of Zone 15 and 16**

**Dear Youth Exchange Officers in all districts**

### **Invitation to youth all over the world to participate at the camp.**

It is a pleasure on behalf of Norwegian Rotary Forum (NORFO), Inner Wheel Norway and Rotaract Norway, to invite physically disabled and able-bodied youth between the age 18 to 28 to participate at the Handicamp 2010 between July 23<sup>th</sup> and August 8<sup>th</sup>. The able-bodied participants act as assistants for the disabled.

*We kindly ask you to forward this invitation to all Rotary Clubs in your area.*

The Handicamp Norway has been arranged as a summer camp every second year since 1976. All camps have been held at Haraldvangen, Hurdal in Akershus, Norway, some 80 kilometres north of Oslo, the capital.

The camp is open for youth from all over the world. English is the spoken language at the camp, and the participants must have sufficient training in English. The stay at the camp is free of charge for the participants (paid for by Norwegian Rotarians), but they have to cover their own travel expenses from their home to Oslo Airport Gardermoen, either personally or may be sponsored by a Rotary Club in the area from where they come. In addition they must cover their own pocket money.

Maybe your district, or one of your clubs, would take up the challenge of finding a team and send it to Norway? The camps in 2006 and 2008 had about 80 delegates from 20 countries.

We are very proud that Handicamp Norway, at the Rotary Convention in San Antonio, got an award as "OUTSTANDING TASK FORCE PROJECT". That gave us a challenge to match in future camps.

Detail information about the camp is found on our own Web-site [www.handicamp.no](http://www.handicamp.no).
